CLAIMING REIMBURSEMENT FOR FISCAL YEAR 1998-99 PARTICIPATION FEE

The purpose of this letter is to advise local governmental agencies (LGAs) that the fiscal year (FY) 1998-99 percentage of the participation fee, which may be claimed to the Medi-Cal Administrative Activities (MAA) program, is 21 percent.

In Policy and Procedure Letter (PPL) No. 97-020 dated October 3, 1997, and PPL No. 98-012 dated April 13, 1998, participating LGAs were advised that beginning FY 1998-99, LGAs who seek reimbursement for the participation fee will be required to amend their MAA claiming plan to include specific reference to the participation fee as a cost under category MAA/TCM Coordination and Claims Administration.

Amendments to the MAA claiming plan must be submitted before or during the quarter in which the costs will be claimed and are effective the quarter in which the amendment is submitted to the State Department of Health Services. Failure to submit the required amendment to your MAA claiming plan shall result in your ineligibility to claim the participation fee for FY 1998-99, and subsequent fiscal periods.

If you have any questions, please contact the Administrative Claiming Unit analyst assigned to your LGA.

Sincerely,

David Mitchell, Chief
Medi-Cal Benefits Branch
